Borealis Differentiators

Safety

Safety is at the forefront of Borealis Site Services. We have implemented the following proven safety controls:

- Adhere to policies & procedures as outlined in our company's safety manual.
- Ensure a clean letter of conduct to ensure employers are in good hands.
- Professionally trained & competent personnel.
- Complete site specific training & orientation.
- Implement a strict drug & alcohol policy.
- Perform Field Level Hazard Assessments prior to starting any new tasks.
- Follow reporting processes for any near misses or incidents for future learning.
